REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art fails to disclose the limitations "a cam unit formed at the zoom ring and an inner rotator installed at the inner helicoid ring to be capable of advancing and retreating for adjusting the interval between the front lens group and the rear lens group as the front lens group moves" in combination with claimed subject matter as claimed. The prior art does not teach or fairly suggest to combine with any other reference to meet the limitations as claimed in claims 1,5 and 11. Therefore claims 1-17 could be allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
